My duties include, among other things, the investigation of violent crimes occurring within Indian Country. While employed by the FBI, I have investigated and participated in investigations involving federal criminal violations related to Innocent Images, child exploitation, human trafficking, sexual assault, and violent crimes.
2. Prior to being employed as a Special Agent with the FBI, I was an Assistant State Attorney for the 9th Judicial Circuit for Orange and Osceola Counties in Florida for more than four years. During that time, I reviewed, charged, and prosecuted criminal cases involving crimes against children, sexually based offenses, violent crimes and drug offenses.
3. As a Federal Agent, I am authorized to investigate violations of laws of the United States, and to execute warrants issued under the authority of the United States.
4. This Affidavit is being made in support of a Compliant and Arrest Warrant for WILLIAM ANTHONY FLY ("FLY"), DOB 11/04/1968, for tampering with a witness, victim, or an informant in violation of 18 U.S.C. § 1512.
5. The statements contained in this affidavit are based in part on: information provided by other agencies; written reports about this and other investigations that I have received, directly or indirectly, from other law enforcement agents; information gathered from the results of physical and electronic surveillance conducted by law enforcement agents; independent investigation; and my experience, training and background as a Special Agent with the FBI. Because this Affidavit is being submitted for the limited purpose of establishing probable

cause to believe that FLY committed the above-described offense, I have not included every detail of the investigation. In addition, unless otherwise indicated all statements contained in this Affidavit are summarized in substance and in part.

FACTS

6. On April 17, 2014, the Ward County crime stoppers received an anonymous call from an anonymous source stating that a minor female victim, Canya Fly, had been raped by her father. The source identified the victim as a 16-year-old female, and her father as TONY FLY (WILLIAM ANTHONY FLY). The reporter stated that the victim had been sexually assaulted by her father between the ages of ten (10) to twelve (12) and that the reporter was told this by the victim two (2) to three (3) months earlier and at that time the victim had asked the reporter not to say anything as the victim just wanted to tell someone so she could move forward with her life. The reporter stated that the victim had told her mother, TIFFANY FLY, and that TIFFANY FLY had confronted WILLIAM FLY, so it had not happened since. The reporter stated she came forward now to tell of what she had been told by the victim as the victim had been removed from school and had been acting strange and depressed since being removed from school. The reporter stated that the last time she saw the victim was at church and that the victim was depressed and withdrawn. The reporter further advised that last night (April 16, 2014) the reporter confronted TIFFANY FLY about the disclosure from the victim and that TIFFANY FLY became upset and stated that it was all lies. The victim's parents were identified as WILLIAM ANTHONY FLY and TIFFANY FLY. Their address was identified as 1301 13th Street NW, Minot, North Dakota. The case was assigned to Ward County Child Protection Worker (CPW) Kristie Urness and Minot Police Detective Cassidy Halseth.

7. CPW Urness went to Market Place Foods (North Hill) and met with the victim. The victim was employed by Market Place Foods. The victim reported that she was sixteen (16) years old and working full time at Marketplace. The victim stated that she was attending the Adult Learning Center in the mornings to obtain her GED. The victim stated that she recently moved from Rugby to Minot in August. The victim stated that she lived in fifteen (15) states and also lived in Williston, ND. The victim stated that her family vacations in Arizona. The victim stated that she has an older brother, who is eighteen (18) years old and a younger brother, fourteen (14) years old and younger sister, ten (10) years old. The victim stated that her mother is TIFFANY and her father, TONY, works in the oil field. The victim denied any type of fighting at home and stated that her family gets along well. The victim stated that if she gets into trouble, her phone or the X-Box is taken away. The victim stated that her family is Mormon and very active in the church. The victim denied any inappropriate touching by anyone and stated that she would talk to her mom or dad if something did happen. At the beginning of the interview, the victim stated "I'm not supposed to talk to people." This worker observed the victim to be uncomfortable and fidgety when asked about any inappropriate touches.
8. On April 24, 2014, it was decided that CPW Urness would make contact with the other children in the Fly home. CPW Urness learned from school officials that the two youngest children had multiple unexplained absences and tardiness from school, and that the older brother did not attend school.
9. On April 29, 2014, CPW Urness spoke with Chuck Kranz, principal at Central Campus, the younger brother's school. Chuck stated that as of 4/28/14, the younger brother is home schooled. Chuck stated that WILLIAM FLY requested that the younger brother be given credit for the school year due to the family having to leave the area. WILLIAM FLY gave

Principle Kranz different stories about the family being kicked out of the house they were renting in Minot (but they would be receiving \$20,000 for the move), that the family was going to a wedding in California, but moving to Utah first, and that the family was living in Rugby and having to drive the family back and forth to school in Minot. Principle Kranz reported that WILLIAM FLY was unwilling to work with the Rugby School District for homeschooling for the middle brother. Principle Kranz stated that the stories varied and changed and that WILLIAM FLY would twist things around. Principle Kranz stated that it sounded like the younger brother “bounced around a lot” in different schools and has also been homeschooled before. Principle Kranz provided CPW Urness with the following phone numbers for the Fly family XXX-XXX-3826 (WILLIAM FLY) and XXX-XXX-1285 (TIFFANY FLY).

10. On April 29, 2014, CPW Urness contacted Market Place Foods. CPW Urness learned that the victim put in her two (2) weeks’ notice and stopped coming to work. The victim stated she was moving to Utah.

13. On May 23, 2014, CPW Lindbo went to the Fly family residence located at 101 1st Street NE, Rugby, North Dakota. CPW Lindbo made contact with the oldest brother who stated he was the only one home. CPW Lindbo requested permission to enter the home, which was denied.
14. On May 23, 2014, CPW Lindbo went to Rugby High School to attempt an interview with the victim. CPW Lindbo learned that the victim was not attending school and was told by the victim’s parents that the victim was being home schooled.

15. On May 23, 2014, CPW Lindbo placed a phone call to and made contact with the victim about the report made to the Ward County crime stoppers about being raped by her father. The victim denied any sexual contact between herself and her father. During the conversation, WILLIAM FLY took the phone away from the victim and denied having sexual contact with the victim. WILLIAM FLY told CPW Lindbo that the allegation of sexual contact between himself and his daughter, the victim, had been investigated "more than once" and nothing had ever been substantiated. WILLIAM FLY then ended the phone call.
16. On June 2, 2014, CPW Lindbo attempted to make contact with the victim's mother, TIFFANY FLY, by telephone, no one answered the phone.
17. On June 18, 2014, CPW Lindbo attempted a home visit at 101 1st Street NE, the Fly residence, no one answered the door and there were no vehicles around. CPW Lindbo attempted to call the phone number CPW Lindbo had for the Fly family, the phone number was no longer in service.
18. On July 24, 2014, Rugby Police Officer Justin Maus conducted an interview with the victim (16 years old) as a witness to a check forgery in the presence of her father, WILLIAM FLY. While working as a teller at Leever's Supervalu, the victim had accepted a forged check from a customer (suspect) for the suspect's purchase from Leever's. After the interview, as the victim and WILLIAM FLY exited the secured area of the law enforcement center into the lobby, Officer Maus witnessed WILLIAM FLY began rubbing the victim's head in a comforting manner. The victim then put her thumb in her mouth and began sucking it.
19. On October 28, 2014, Ely Elementary Principle Jason Gullickson contacted CPW Lindbo and advised that he had seen the Fly family back in Rugby, North Dakota and he had talked with WILLIAM FLY. WILLIAM FLY informed Principle Gullickson that the Fly family was

moving back to Idaho. Principle Gullickson was provided an updated phone number for TIFFANY FLY as XXX-XXX-1285.

On January 5, 2015, Ely Elementary Principle Gullickson reported that the victim's sister had been absent from school for a total of thirty-two (32) days and that WILLIAM and TIFFANY FLY had stopped by the school in November and told Principle Gullickson that the Fly family would be leaving for Colorado for a family emergency and would not be returning until after the first of the year. The victim's sister had not been back in school after the new-year. Principle Gullickson reported that on December 2, 2014, the victim's sister had reported to her classroom teacher, Jessica Fritz, that the victim's sister would be leaving, but did not know when. WILLIAM FLY did stop at the school and informed teacher Jessica Fritz that his younger daughter would be in Williston with the Fly family until December 10, 2014, when WILLIAM FLY would be getting stitches taken out in Minot, North Dakota, and then the family would be going to Idaho. Principle Gullickson reported that the same child was gone from school from October 27, 2014 through November 18, 2014. Principle

Gullickson reported that based on the numerous absences by the victim's sister, there had been a substantial amount of work missed.

24. On February 9, 2015, CPW Lindbo attempted to make contact with the Fly family using all known phone numbers related to the Fly family. No contact was made, though CPW Lindbo did leave messages for WILLIAM or TIFFANY FLY to contact CPW Lindbo.

WILLIAM FLY stated that the older brother was at Job Corp in

Idaho. WILLIAM FLY advised that his older son had to go to Job Corp because he got assaulted and hospitalized. WILLIAM FLY stated he had back surgery and was still healing. WILLIAM FLY claimed that the family had their own marketing company, was cleaning houses, cleaning offices, doing landscaping, and that WILLIAM FLY was driving a truck.

The victim and WILLIAM FLY both denied that there had been any inappropriate sexual touching or fondling and the victim and WILLIAM FLY both refused to have the victim interviewed at the CAC (Child Advocacy Center). This case was transferred from Ward County. The family had been in Idaho for most of the time that the assessment had been open. Another report was received on 1/5/15, with concerns of educational neglect, the youngest child had not been to school since 12/2/14, and had missed 32 days of school. The assigned case worker had documented many attempts to contact this family, however the family kept moving around, including to Rugby, Williston, Minot, Idaho, and Arizona. - a. The message sent at 11:30 AM reads: "We need go out of here and get to where we were going. It will be easier if you just admit to them that you lied. As you did to your sister. That will make them go easier on you. They came to you last night because Naomi turned you in. You won't be welcome at her place any longer. They also looked you over to confirm that you were not there against your will. And that is

enough for them to start looking to arrest you and trick you into saying things. We need to go before that happens.”

- b. The message sent at 12:22 PM reads: “I can’t believe Naomi and Cheyenne sending the cops after you. They want you arrested. Those kinds of people are not your real true friends. They would not have done something like that. The stuff she said at Wal-Mart too. She has it in for you. I love you. What did the doctor say? I enjoyed our time together doing stuff like we always do when we are together. It was great to take care of things and help you just like I always have. I am always here for you and have always been. Even when no one else was there for you. I love you and always will.”
- c. The message sent at 4:08 PM reads: “[The victim’s name] don’t worry about getting arrested for lying. They will ask if I want to press charges. I think you know that I do not work that way and would never do that. They won’t come and get you where we are going to be and I will protect you. You do not need to be upset about Jesse and do things like this to me. Your mother and I wanted to protect you from having these sorts of issues from having sex with a minor which he is. And you did. I was always letting you guys hang out. Then you and he both lie to your mother and I. That could have got us in deep trouble. Crap like this. So please just let them know that you lied about that stuff. I think you and I both know that not only was I not around, but I would never force anyone to do anything especially that and especially to my daughter. I love you with all my heart. That is why you felt safe to just go with me and have me help you take care of your business for you. I have always made you feel safe and protected. That is why I save you from those rapists who abducted you. Even though everyone said you went with them she burned our family. Let her go to the dogs. No I wanted to be there for you. That is why I took you to those therapists to

help you. We will have better ones where we are going. There will be lots of church activities as well. If we get there soon enough we might catch a camp or YSA. Activities or something. I will even let you stop by and say hi to Jesse while we have the trailer serviced. We will get a room drop it off and then take off when they are done. Just like Dallas. It will be good for us all.”

- d. The message sent at 8:36 PM reads: “Hi Princess. I love you. I will always love you. We had a good day yesterday as a family again. That is how we need to be again. We need it to stay that way.”
- e. The message sent at 8:46 PM reads: “Please my princess admit that you lied. I have not ever force you to do anything and you know that. I cannot even force you to go to school or complete your GED. How would I ever have a chance to force you into those sorts of things?”
- f. The message sent at 11:29 PM reads: “[The victim’s name]. I will make a deal with you. I will give you what you want and fix the Jesse thing. You just need to tell the cops that you lied. I promise I will fix it. I will even marry you off to him myself. Just please do not put our family through this. Please fix this for us. I love you my Princess! I only want to protect you and provide for you. The victim what you are doing here is not right to do to our family. You know that I would not ever force you to do anything so that is a lie. You lied to them so just tell them. Then I will talk to Jesse parents and take you there and drop you off. My promise to you. If you really want that this would happen that quick. As soon as tomorrow. I love you and always will. If you love your mom and your sister and your brothers then you will put an end to this and tell them that you lied. This is going or hurt them very badly. Please can you. I will do what I say. I will not even but in all.”
