

NXIVM Internship

Details

You do not need prior experience with any NXIVM programs.

The full program lasts for up to two years, with the possibility of completing the program earlier (even within six months).

The program will be held at our Corporate Center in Albany, New York.

Payment options:

- Option 1: Pay \$5000 per month, (paid-in-full)
- Option 2: Pay \$2500 per month. The balance will become due upon generating income through ESP or a NXIVM affiliate; 50% of all NXIVM related income will go towards paying down your balance until it is paid in full
- Option 3: We are offering scholarship options for those who qualify (see application for details)
- Option 4: If you enroll two new people (non-Nxians) into this program either starting this semester or next, you will be eligible for a 100% discount!

Requirements

- Commit to graduating in one of the programs, whether it takes six months to a year beginning March 1, 2017
- Commit to a minimum number of hours, both in the class room and outside the class room, involving different skill building practices
- Participate in different internship programs as required by your chosen career path(s)
- Be open to evaluation and feedback
- Commit to using our tools to overcome your limitations
- Work any program recommended to you by the program leaders
- Commit to certify in at least one career path in the time allotted

If you agree to these conditions, please complete the attached survey and return it to careers@nxivm.com
