Re: United States v. Nancy Salzman  
18 Cr. 204 (NGG)

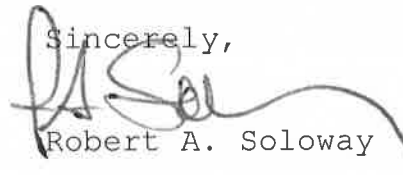

Dear Judge Garaufis:

I together with David Stern represent Nancy Salzman in this matter. I write with no opposition from the Government to seek an extension of the defendant's time to satisfy the condition of bail which calls upon our client to secure the personal recognizance bond in this matter with nine parcels of real estate.

We have been working diligently to satisfy the conditions and are close to perfecting the Government's liens. All other bail conditions have been met except but the necessary documents must now be filed in the Saratoga County Clerk's office to perfect the Government's lien. The Government is informed of our progress, and is also a necessary signatory to the Judgment of Confession. All necessary documents have been competed and executed. We expect them to be filed and duly recorded with this week.

Accordingly, it is respectfully requested that Ms. Salzman's time to meet the conditions be extended through and including August 17, 2018. If the Court has any questions regarding the contents of this letter, please contact the undersigned. Thank you very much.

Sincerely,

Robert A. Soloway
