MOTION FOR DECLARATORY JUDGMENT

§52-29

The undersigned moves the court to issue a declaratory judgment of rights and legal relations authorized by CGS §52-29, a remedial statute to be liberally construed, as to whether the 662 day forced isolation of the children from mother and extended family is in their best interests, where whimsical discretion by Grossman, J, absent state interest, overrides heightened due process imposed on the court by the Fourteenth Amendment guarding against deprivation of liberties held by both mother and children.

WHEREFORE, declaratory judgment so pleaded.
